

Orange Mover - You are the TROUBLE-SHOOTER

You Are Action-Oriented

Your excellence at problem-solving and the ability to respond quickly and efficiently in a crisis is matched by few. Your strong sense of reality and instinct for an opportunity make you a master negotiator. You prefer to have your staff efficient and to the point. Because you can verbalize appreciation easily, you express encouragement to your team. You seek and welcome change and administratively address modifications when needed. Your abilities are further enhanced by valuing a steady pace.

Your Leadership Character

Welcomes change and risk-taking
Deals quickly with concrete problems
Lives fully in the immediate moment
Receives high productivity from your staff
Enjoys being the flexible, practical diplomat

Your Concept of Success Emphasizes

Action	Performance	Variety
Skill	Fun	Freedom

Blind Spots

Competitive nature can alienate others
Risk-taking is at times not well calculated
The need for independence impairs communication
Impulsive Decision-Making: "Shoot first, ask questions later"
